Things to know for Rehearsal:

1. Rehearsals will be run in order and in costume! This will be a first time on stage for some, so we will allow 2 runs of each piece during rehearsal. As soon as your child is done with all their pieces, they will be free to go unless notified otherwise by their teacher.
2. Please arrive at the scheduled time noted above unless instructed otherwise by the teacher and use the backstage entrance.
3. There is no food or drink allowed in the dressing rooms!!!
4. Children must listen to the mothers in charge of each dressing room and they must stay with their class at all times. Room Mothers need to keep the children together and not allow anyone to wander off or be taken by someone else other than who is to pick them up. Sign-up will be posted 2 weeks prior to the show, so please sign up if you can.
5. Mothers helping in the dressing rooms, we need you to arrive 10 minutes before scheduled rehearsal time for those students that will be dropped off a few minutes early. Only mothers signed up are allowed in the dressing rooms and backstage. We need to keep the amount of people backstage down to a minimum.

Show Rules:

1. No Food or Drinks Allowed Backstage or In Dressing Rooms!!!!
2. Children are to arrive at designated time with hair, make-up and costume on for their first number.
3. Parents are not allowed to come backstage during the show to get their child nor are they allowed to take ANY child upstairs that is performing in that act. This is a very important safety issue!
Children in Act I will be excused at Intermission and led out to the lobby by a dressing room mother to join their families. Students in Act II will be excused after the finale. Again, students will be led out to the lobby by room mothers....please do not come backstage searching for your child.
4. Finally, put your child's name in everything!!!! Children are allowed a quiet activity for the dressing rooms, but we do ask that you do not bring markers, video games or games with small pieces.
